

11 x 60

Nature in daylight

GIORNATA

The Giornata collection of tiles is reminiscent of wooden parquets covered with sun rays. A wide range of colours and an interesting texture make the tiles an exceptional material for both modern and classic concepts.

The unique graphical style of the tiles means that the final surface looks exactly like natural wood.

 - wall tile
  - floor tile
  - frost resistance
  - clinker tile
  - calibrated
