Raw elegance

NICKWOOD

Inspiration for the creation of the Nickwood collection comes from the beauty of natural wood. Tiles with a matt surface and a non-uniform structure are perfect imitation, and a modern interpretation of raw wood boards. The special abrasion marks on the surface are also very characteristic for rough timber. They add originality and a unique effect to any interior.

🏠 - wall tile
🏠 - floor tile
❄️ - frost resistance
🏠 - porcelain tile
📏 - rectified tile
🎨 - colour body
