# TRAMONTO

The Tramonto collection tiles perfectly imitate the texture of wood and look as grand and noble as the classic parquet. In order to create an interior with a timeless style, cosy and unique, customers can select various colours from the Tramonto collection. Each tile has its unique graphic design that represents wood grain and structure, hence, tiles arranged together look like natural wooden boards, adding a new quality and style to any space.

 - wall tile
  - floor tile
  - frost resistance
  - clinker tile
  - calibrated
